2	All sessions excellent and enjoyable. The group leader empathetic, caring, involved in the activities and was able to spend a bit of time with each child while moving the class on through play, tidy up, snacks and group activities. I cannot recommend this class highly enough or thank Clare for her patience and kindness	6/25/2024 8:13 AM
3	We have loved being a part of sure start parent and toddler. I have seen a massive change in my toddler when we first started classes he wouldn't leave my side now I don't even get a chance to take his coat off when we walk in as he's running away wanting to play! Friday classes especially are my favourite staff always go above and beyond with different stations of play and activities and always listen to suggestions we as parents make even with snack etc the staff always cater to the group. So far any staff i have met in sure start are absolutely lovely! And sure start has definitely helped me a lot with all different kind of support this year. One suggestion I would make is maybe making the rhythm, rhyme and story time classes slightly bit longer even 45mins instead of the initial 30 mins we really enjoyed going but sometimes it's a lot of effort for the class to only last 30 mins so I kind of lost interest in going. Otherwise I am so happy to have joined sure start and couldn't say anything bad or negative about sure start! In general I think you guys are doing a wonderful job for the community and myself and my toddler have definitely benefited hugely from being involved. Thank you!	6/25/2024 1:16 AM
