2	I really enjoy the services I have used before and since having my daughter. All the staff are so supportive and helpful	1/28/2025 9:17 PM
3	I would love to see a class where we bring grandparents. A condensed version of the birth journey. Grandparents put pressure on us saying "that's not how we did it in our day"	1/27/2025 5:53 PM
4	Julie Anne was amazing, I really enjoyed the swimming, as I couldn't do much exercise during my pregnancy, it helped me get in to the right frame of mind to prioritise doing something that made me feel good. It helped me build confidence to get in to the pool and I continued on swimming during my pregnancy. I met amazing mums and build up friendships and shared our pregnancy worries. I didn't do the breastfeeding work shop but I got a lot of information and guidance that help me support my breastfeeding journey from Julie Anne. I felt more prepared mentally for birth . Thank you	1/27/2025 4:36 PM
