My Dad's Car

(tune – twinkle, twinkle little star)

Twinkle, twinkle chocolate bar,
My daddy drives a rusty car,
Push the starter, and pull the choke,
And off we go in a cloud of smoke,
Twinkle, twinkle chocolate bar,
My daddy drives a rusty car.

Ten Little Airplanes

Ten little airplanes flying high!

The peppermint whistle goes toot, toot

The Big Ship sails on the Alley-O

The big ship sails on the alley, alley oh
The alley alley oh, the alley, alley oh.
The big ship sails on the alley, alley oh
On the last day of September.

The captain said "It will never ever do"
Never, ever do, never, ever do
The captain said it will never, ever do
On the last day of September
The big ship sank to the bottom of the sea...

Fireman Sam!

When he hears that fire alarm
Sam is always cool and calm
If you're stuck give him a shout,
He'll be there to help you out

So move aside, make way.
Fireman Sam!
'Cos he's gonna save the day.
Fireman Sam!
You can't ignore.
Sam is the hero next door

If there's trouble he'll be there
On the ground or in the air
Fireman Sam and all the crew
They'll be there to rescue you!

So move aside, make way.
Fireman Sam!
'Cos he's gonna save the day.
Fireman Sam!
You can't ignore
Sam is the hero next door

Row, Row, Row your Boat

Row, row, row, your boat
Gently down the stream
Merrily, merrily, merrily, merrily
Life is but a dream.

Row, row, row, your boat
Gently down the river
If you see a polar bear
Don't forget to shiver

Rock, rock, rock your boat
Gently down the stream
If you see a crocodile
Don't forget to scream, ah!

The Wheels on the Bus

The wheels on the bus go
Round and round (do actions of the
wheel going round)
Round and round
Round and round
The wheels on the bus go
Round and round
All day long

The horn on the bus...
beep, beep, beep...

The babies on the bus...
clap, clap, clap...

The Mummy's on the bus... chatter,

The Granny's on the bus...
